The decision of reward (in number of IBE) in such cases, will be decided on an individual basis.

Rules:

● Before you start writing, you must let us know what you would like to write about, in what language, and where you intend to publish – it is important to obtain official approval from us first.

● All the texts must be published online and accessible by everyone.

● Your text must be original.

● We do not allow websites with no audience or new websites; the website where you choose to publish your text, must be at least 2 months old, and must have appropriate user activity.

● if you publish a review, your text must contain over 500 words.

● Your post must include at least 2 links: one to the Item Banc official website, one to the ICO ANN thread, other social media links are welcome as well.

● Make sure you have a full understanding of the Item Banc platform - the project is very complicated from a technological aspect. Please read the Item Banc project's Whitepaper and Business Overview documents first.

Some ideas for the posts:

-What are the benefits of Item Banc in comparison with competing projects.
-When will the ICO start and why should one participate.
-References to good texts regarding the project.

Just make sure that your text is technically correct, and doesn't contain typos and errors.
